Treasurer Discussion:

1. We must update the website to reflect current positions
    a. Dave will lead this. Kayla will type minutes from this meeting and send it to Dave to post as well.
2. Do we want a 5013C?
    a. Max cost would be $2.000 roughly
    b. Would allow us to be a non-profit and tax-exempt.
    c. All members voted “yes” to the proposal. We will move forward with the process of attaining a 5013C.
3. T-shirt sales need re-evaluated
    a. We need to raise prices for the indoor season to make a better profit.
    b. Expected raise in price: $20 for t-shirts, $30-35 for hoodies
    c. Prices will be solidified at a later date

Coordinator Discussion:

1. Keep chapter championships for the indoor season in your mind. We need to start looking for a venue that will allow us to raise money (and have a better working relationship)

2. We want to provide a larger venue for groups to prepare for Wildwood and give a good end-of-regular-season performance.
    a. KCAC is crazy expensive to rent, plus no concessions, they charge for parking, relationship is not good.
    b. War Memorial in Johnstown - No. 1 choice
        i. Tyler will check into this
    c. Altoona HS
    d. Altoona Field House
    e. St. Francis Campus
3. We will discuss further to see if this is what we want to do this year or next and where to relocate.
